To All Those Who Help With Us And Labor,

It is a privilege to be writing you again from Valledupar, Cesar, Colombia. We trust that the Lord has been with you. Here, it hasn't rained in several weeks, and the weather has been milder. It's windy and mostly hot. This is the time of year to fly kites. The government here is still struggling with the great number of people that are coming from Venezuela.

Difficulties

Several people of the Church have left to go to other departments to join family there and hope to find jobs or enough of an income to live on. One person is the young man Carlos that I wrote about in the last prayer letter. Also, the couple that was with us has gone to work in another department. We trust the Lord to help them in their' marriage and ministry. And, the people that I wrote about that came from a false cult have left and formed a prayer group close to our' Church.

Things On The Positive Side

We thank the Lord for the group that came from Cartagena in November. Although the effort was hindered by rain on both of those days, we were grateful they came to spend that time in fellowship with us. Things may take more time than we at first thought, we plan to emphasize evangelism as we enter the year 2019 with the new challenges it brings us.

Please pray for Bro. Simeon as he grows and helps in the Church. At least one lady recently accepted the Lord while we were evangelizing. Please pray for an older man (José) who has made things right with the Lord and wants to be baptized. He has deep regrets for the many years he lived in sin. Another lady has shown interest in the Church. Her name is Josefina. Please pray that the Lord lead and minister to her needs.

Hopes For 2019

Please pray as we seek the Lord's will as to how to plan. We plan to have an evangelist be here helping at times. We plan to have Youth Services and special times of prayer. Please pray as we trust the Lord to see things go forward. We thank the Lord that although the economy has suffered a lot, the Church is still paying for the rent on the building we meet in. We trust the Lord to provide land for the Church to build on.

Prayers For Health

We have battled sickness off and on these last months. I developed bronchitis. I have gotten better. The others in the family have been a bit sick too. We ask prayer for an elderly gentleman with skin cancer (Fernando). Also, please continue to pray for Sister Nini who has Ehlers Danlos Syndrome.

A Lot To Be Thankful For

We thank the Lord for my mom who received two epidurals in her back that have brought much needed relief. We thank the Lord and the ladies from our home Church for giving toward a piano for Hannah. She has come a long way and has started to play the old keyboard at Church. Please pray that she will be able to do more. We really do thank you for being there for us, going before the Lord in prayer, and for your sacrifice in giving. May the Lord keep and guide you providing for all your needs. ¡May You Be Greatly Blessed In 2019!
