Dear Pastor:

Thank you for allowing our missionary to present his burden in your church. Our desire here at Macedonia in serving the local church is to insure that the missionaries through our Board are effective in their deputation ministry and are a blessing to the churches and pastors that open their doors to them. In order to help do this, we would like for you or someone you choose to complete this Missionary Evaluation and return it to us. You may, also, go to our website, www.mwbm.org, and complete the form online. Thank you for taking time out of your busy schedule. Be assured that this information will be kept **CONFIDENTIAL**.
