Dear Co Labourers,

Cassie and I greet you as always in the name which is above every name, the Lord Jesus Christ. It is only through Him that we have the hope of eternal life. It is only through your faithful prayers and financial support that we can serve Him to the greatest extent. From the bottom of our hearts, we thank you. We count it an honor to labor alongside of you for the cause of a world that stands in need of the Saviour.

First of all we want to thank every church, as well as every individual that helped us financially with the cost of our trip to Europe for our Macedonia World Baptist Missions European church planters conference coming up in the month of July in Rothenburg, Germany. We are so glad to be able to report to you that between what Cassie and I have saved and what our supporting churches and individuals have given, every need has been supplied! To God be the glory! We also plan to attend church services with MWBM missionaries Jonathan and Natalie VandenHurk (England) as well as Jeremiah and Lindsey Cooley and family (Liechtenstein) while in Europe. Needless to say we will be traveling many thousands of miles within the almost two weeks we will be out of the United States and therefore would certainly appreciate your prayers for safety. I am convinced that only eternity will reveal the fruit of our efforts together as we make this trip. Thank you for allowing us to represent you and your church family while in Europe and abroad. Rest assured that is a task that we do not take lightly.

Since our last prayer letter, Cassie and I have "fanned the flame of world evangelism" in New York, Maryland, North and South Carolina, Tennessee, as well as our home state of Georgia. Week after week, while traveling literally thousands of miles we count it all joy with your help to do what God has called upon us to do. We have also been very busy here in our home office preparing for orientation and training June 18 through 21. Lord willing, we will have the largest number of missionary families this year that we have had in several years. Our executive board has also been busy. Recently, they have approved two new missionary families to Argentina, one family to Peru, and another family to be a part of our USA church rescue ministry as well. Every time God raises up another family I am reminded that He is still in the business of calling and separating His people for the work of world evangelism. My prayer is that He would raise up even more as we approach His soon return. We are not only praying to that end here at Macedonia, we are laboring to that end as well. Let me encourage you to take out a map and take a good long look. There are needs everywhere! People need the Gospel! Will you go? Just remember MWBM can help your local church get you there.

Out of all the wonderful things I have spoken of in this quarter's letter, I believe the best would be to mention the two precious souls that we have seen saved in meetings as we have traveled. After all, that is really what the ministry is all about: souls! Souls that Jesus died for! Souls that He longs to use each of us to reach with His glorious Gospel. Because of that, and for His glory, we continue by faith.

Sincerely,

Dr. Scott and Cassie Caudill
