March and April 2024

Hello Pastors, Churches and Supporting Friends,

March and April have been busy for us as the weather and seasons began to change. We attended a preacher's fellowship in St. Maries, where I was given an opportunity to preach, and we all enjoyed the fellowship with other churches here in the Pacific Northwest. We had another order of carpet arrive for the church, and we were able to install it. Pastor Inboden's church in Pinehurst gave us a piano. We were so thankful to receive the piano and were able to get it tuned quickly so that we could begin using it right away. We had our monthly fellowship for March and packed more door hangers and enjoyed a chili supper. Several people from the church gathered and helped us pass out the door hangers through visitation 2 different times in March. Dawn was able to secure a table at a craft fair in Kellogg, and we gave away Bibles, tracts, and church invites. This was a wonderful opportunity to meet so many different people in our communities. We really enjoyed this time and are looking forward to more opportunities like this in the future.

We were so excited to get to celebrate Easter at Silver Valley Independent Baptist Church this year! Brother Lloyd and Jay sang specials during the service. Afterwards we had Easter dinner at the church with everyone. These fellowships are such a blessing and help to our church.

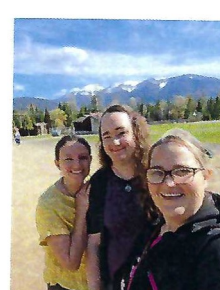

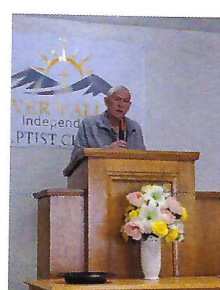

At the beginning of April, Dawn was invited to a pastor's wives retreat in Montana. She and a couple other pastor's wives rode together and enjoyed 2 days away. While she was gone, we had visitation and were able to give away several John and Romans. On April 15th, Timothy turned 9. We celebrated him at the park with the children from church and our apartment complex. Timothy and Jay began taking piano lessons and are doing a great job. Their mother and I are so proud of them. They will both be finishing up the school year soon.

Tuesday, April 30th was such a special day for us here in Idaho. There is a lady that has been visiting with her family. They have 3 boys about the ages of ours. She and her husband received a door hanger from our first visitation. She called the church and asked to meet at the church. Dawn and I met her, and her husband and she GOT SAVED!!! We have been praying and doing everything for this very moment! We have seen 4 people saved since moving here, but this was the FIRST FRUITS of the church plant. We are thrilled to see God working in the hearts and lives of the people here in the valley.

Thank you so much for praying for us.

For His Glory,

Bro Ray Godfrey
