Ministry

Thank you for praying for our April evangelism project. We went to three cities in Belgium and one in the Netherlands to give the gospel and hold a bible study. In each city we had ten teams to go out and were able to reach between 300 and 350 homes. We had one saved and many great opportunities to give the gospel to people who have never heard, and no one is trying to reach. The trip to the Netherlands was particularly exciting because it was our first-time doing evangelism in that country. We had been warned that the people there would not likely be receptive to it but found them to be very open and friendly.

Upon returning to evangelizing our community in May I had the unique opportunity of leading my soul winning partner to Christ. We had a good conversation with one man, but most people were not home. So, I began asking the young man with me about his salvation, of which he was not certain. So, on the side of the road, we opened the Bible, and he trusted Christ as his Savior.

We also had another baptism in April where we had the opportunity to baptize a lady we led to Christ the week before, a young couple we led to Christ last summer, the lady we mentioned getting saved in our last letter, one of the teens who got saved in our church, and a student who recently trusted Christ.

Concerning the building we have the rough draft of the sales contract ready and have finished some necessary legal documents we have been working on for years. We are expecting to finalize the purchase of the building in mid-June.

Personal

Thank you for praying for our family as well. All our children had chicken pox this past month but are doing well. I have had it before, but Lory hasn't so there was some concern for her. Victoria celebrated her first birthday this month and began walking a couple days later. We are travelling this week to Serbia where I will be preaching and then to Romania, where I will preach a missions' conference. While we are away some of the men from the church will be filling in for me the first week and Bro. Jim Morgan the next week.

Prayer

Pray for Sister Lory and five other mothers in our church who are also pregnant.

Pray for us as we travel to preach and for the men who will be filling in for me.

Pray for the purchase of our building so that we can finalize it before mid-June.

Pray for Gail, that God will use these new treatments to cure her of the cancer.

Pray for those who were baptized to settle in church, grow, and live for God.

Pray for Lory's youngest sister Aura, who will be getting married on June 8th.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley
