PRAYER LETTER – MAY 2024

Dear Praying Friends,

I recently traveled to Valledupar, Colombia to visit our missionaries Michael, Martha and Timothy Hart. They are doing a tremendous and important work at the Faith Baptist Church. What they are doing is **important to our Savior**. He is not willing that any should perish, but that all should come to repentance. What they are doing is **important to Sinners**; those who are being called out of darkness into God's marvelous light. What they are doing is **important to the Saints** who long to know more about our Lord. I saw first-hand how important the Hart's ministry is to the precious people of Valledupar. *Please pray for the Hart family that they will be able to hold firm to the ground that has been gained for the cause of Christ.*

The Harts have faced many difficulties in the past two years. Brother Michael has had several major surgeries and due to the fact that he had his thyroid taken out, he struggles with the heat that on many days is above 100 degrees. Besides that, you know that our Adversary, the devil, is not going to stand idly by while souls are being saved and saints are being disciplined. He will do all within his power to hinder the work of the Lord. But with all the challenges that the Harts are constantly facing, they continue on in the work that the Lord has called them to. *I praise the Lord for the Harts and I pray for them, and for all the precious people that they minister to in Valledupar, Colombia.*

While I was there, we had a Youth Meeting and most of the teenagers who came were Venezuelans. As Americans, the Harts are advised not to go to Venezuela, but the Venezuelans are coming to them. What an opportunity! *Please join us in praying that these young people would be saved and become faithful servants of the Lord.*

Thank you for your prayers and support for missionaries around the world. May the Lord continue to bless the ministries of your church in an abundant way!

In Christ,
Bruce Berry
