Dear supporters and prayer partners,

Joinville, July 2024

We praise the Lord for the progress on the building project. The church building is looking great with just a few more finishing touches required to be ready for use. We appreciate your prayers as we prepare to move into the new building soon.

The services at the New Jerusalem Nursing Home continue to be a blessing. The folks there truly enjoy the singing and fellowship as well as the preaching of God's Word. After a recent service, one of the residents said to me that these services are a blessing to them and that it is her favorite activity at the Home.

The Lord has blessed our church with several visitors in the past few months, and one couple in particular, named Sandro and Eliamnes, has been participating in the services almost every week for several months now. They moved to Brazil from Cuba about a year ago. Eliamnes is learning to play the keyboard, and Sandro is learning to play the guitar. Pray for their spiritual growth and understanding of God's will for their lives.

July is Soraia's birthday month as well as our wedding anniversary. I praise the Lord for my precious wife of 36 years. She is the most precious godly lady and faithful servant of the Lord. I am truly blessed to have her as my bride and partner in ministry.

We are saddened by the passing of Pastor Ricardo's wife's stepfather Mr. Roberto a few weeks ago. Sadly, he rejected the gospel and went to eternity without trusting in Christ as his Savior. Also, last week our church's eldest saint at 90 years old, sister Carminha, passed away from this world and into the presence of her Lord and Savior Jesus Christ. This is the dear lady that donated her home and lot to the church where we are constructing the new building. She will be sorely missed. We also grieve the loss of my dear Aunt Glenda Allen that went to be with Jesus this July as well. She was the sweetest aunt, and we will miss her dearly.

Please continue to pray for our health. We praise the Lord that Soraia is much better from her issue with Vestibular Neuritis and is able to drive once again, which is a huge blessing. I am still having issues with my lower back and have a CT scan scheduled for this week.

Thank you for your prayers and support,

James and Soraia Allen

Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me; **Romans 15:30**
