Field Update May - Jun 2024

Greetings, dear Pastor and our cherished fellow laborers in Christ, Donna and I are so grateful to everyone for your prayers. We are continually reminded of God's faithfulness. He is always in His place, fulfilling His will and promises! Amen!

LIVING-BY-FAITH ADVENTURES

We feel a heart-warming blessing as we experience God's incalculable goodness to us, His people. Our church family fellowships, brimming with laughter, joy, and delicious food, never fail to fill our hearts with joy, Amen! We recently commemorated Mother's Day through a heartwarming family fellowship and a cook-out! Each of our mothers was given a gift, and they performed a special singing for the church, creating a beautiful and memorable moment.

Praise the Lord for our young, new, and upcoming musicians. Eloah is thirteen years old and has been learning to play the piano for a while now. And already plays the piano in every service. Isaac is fifteen, learning to play the guitar, and is already keeping up with our pianist.

Brother Izailton, his wife, Samara, and their family are a tremendous help and invaluable assets to the Lord's work. They are constantly involved in every aspect of the work here. Sister Samara does a great job administrating her secretarial duties. Brother Izailton is always available and willing to share a Wednesday evening Bible Study whenever asked to. We're excited to see God use this family as we serve together in harmony and for His glory.

GOALS AND PRAYER PETITIONS

God has blessed us with a good group of young people and children. A couple recently celebrated birthdays, which is always another enjoyable fellowship. Amen! Please pray for our young people. Brazilian culture is slightly different; however, our youth face the same life issues as others worldwide. A while back, we asked everyone to pray for a young family: Daniel, his wife, Samara, and their three children. Sadly, they ended up separating and left attending church. Daniel has shown up a few times since, but his wife and children haven't. Please remember this family in prayer and for us as we continue following up and reaching out to them.

Please join us in praying that God will raise laborers and future leaders in our ministry. Brother Izailton is a great blessing in this area. Our hearts are overjoyed as we ponder his spiritual growth over several months. Please pray that God will continue using him more significantly for His glory and honor.

Several weeks back, Donna became ill with a viral infection known as Dengue. We had to rush her to the hospital for treatment, and as the nurses performed their duties, she passed out momentarily. God intervened and brought her through with the assistance of medics, medicines, liquids, and lots and lots of rest; amen, praise the Lord! Please always remember our health as you pray for us.

We extend our heartfelt gratitude for your unwavering financial and prayer support. It is with great honor that we represent you in Brazil. May God bless your generosity abundantly, giving fruit that abounds to your account, amen!
