Dear Praying Friends and Supporters,

Once again you have faithfully met the need that allowed us to stay on the road to raise support for the church plant in Colorado. We appreciate what each one of you do for our family so we may faithfully fulfill the ministry God has called us into. The Lord continues to add to our monthly support with **five new churches!!** In between our meetings we had a blast at family camp seeing several young people trust Christ for their salvation and we were at Macedonia's Re-Fresh week, which was filled with vital help, information, and fellowship to renew us for the field.

Thank you for praying for Keith because he has been **attending a local Baptist church** for the last month. We keep in regular contact with him and discuss the things he has heard. We are praying that the preaching of the gospel of Christ will shine in his heart and illuminate his mind to show the truth of his lost condition.

One evening on the side of the road we met a young man named Arthur. He told us that he had never heard of the gospel and so we opened the scriptures and **shared a clear presentation of the gospel**. He listened intently and agreed that he was a sinful man, "but I am not as bad as....," was his response. We left him some material with our information on it and are praying that God will convict him of his sin and convince him that Christ will save him. We are looking forward to hearing from him.

We visited a man from Guyana and his wife from India. They believe Christ is one of many ways to God which is common even in our own country. The living room was a sad place with all the little statues of so-called deities and yet **no power or relationship**. They have been in our prayers, and it has been upon our hearts to give them a Bible. At one of our meetings a church donated a nice Rock of Ages study Bible that we are going to give them as a gift. Pray God will use His "quick and powerful" word to penetrate the darkness in that home.
