Dear Pastor and Church,

We bought our airline tickets earlier this week and will, the Lord willing arrive in the Atlanta Airport October the 8th. Our plan is to visit all our supporting churches and give in person reports of this last 5 years since we arrived back in Indonesia September of 2019. We both hope to make doctor appointments now for complete health check-ups. Melinda has gained a few more pounds and is up to 102. She's eating well and drinking Ensure Gold twice a day.

We have had 3 deaths of friends and relatives of our church members the last 2 months. Last Sunday the neighbor nearest our church passed away during our Sunday morning service. He was widowed and lived alone and was 80 years old. I witnessed to him about three or four times when we were remodeling the church building. He was Catholic and kept holding on to his church membership for salvation. He's in God's hands now and I am so thankful I was able to share the gospel with him before he passed.

Our church attendance has been good but we lost one of our young men who moved to enroll in college.

Tony and Dini we asked prayer for have found housing and their son got the job they asked prayer about. The bad news the house is far from us but near our former church plant but so far, I have not been able to get them to attend that church. Keep praying for them.

As always, thank you for your prayers, support and special offerings as we have had many expenses as we close out things here.

Love in Christ,

Stanley & Melinda
