May-June 2024

Dear supporters and prayer partners,

I would like to start this prayer letter by saying these past two months have been nothing short of amazing! Thank you to all who have prayed for me, and thank you to the pastors that have allowed the opportunity to come by the church and tell about the call God has placed on my life!

These past two months I have had the privilege to be in TX, TN, GA, MT, ID, SD, AR, and SC. Praise the Lord for a busy two months! I traveled close to 15k miles these two months, and the Lord has blessed with new supporters! Thank you for praying for safe travels! The out West trip went great, and I had the opportunity to be with some great churches out there and to help out Bro. Benji Beaudoin who is with Macedonia also and holds tent meetings in small towns in SD. He is doing an amazing work! I was helping him in the town of Newell, SD that has a population of close to 600 people, and we had VBS in the mornings and service in the evening. I had the opportunity to see out West, and God began to burden my heart to pray for more laborers. Would you please pray for more laborers for our country? My heart is broken over the state of our nation. Please pray for America!

After going out West, I drove back to Georgia for Macedonia's ReFresh week. I had a great time being in the classes that week, and the preaching at the night services was absolutely amazing! It is a privilege to partner with Macedonia World Baptist Missions! I love being with Macedonia. It is like a family. It was a great time of fellowship and refreshment that week!

Prayer Request

1. For more laborers
2. For remaining support to come in
3. Safety on the road
4. Justin, Sam, and Jones for salvation

In Prayer,
Noah Gudger
