## A SHORT RECAP OF OUR JOURNEY THROUGH DEPUTATION

Still wet behind the ears and full of zeal for the things of God, we started part-time deputation in May of 2023. With a fire that burns for the people of Iceland, we were very excited to start presenting our ministry to our fellow local churches. In December of 2023, we made our largest step of faith thus far. I resigned from my job and started full time deputation in January 2024.

## OUR FIRST MAJOR MILESTONE

We are currently approaching the 50 % mark of our support goal. As we look back over the past year of deputation, we rejoice to see the many times the Lord has shown His faithfulness and how He has showered blessings on us that we don't deserve. It has been exciting to witness the love that the Local Church has for the lost souls of the world.

## BEGINNING OUR RESIDENCY PERMIT PROCESS

Please be in much prayer for us in the coming weeks as we begin our residency permit process for Iceland. Although Iceland is not a closed country, it is a hardened country. Iceland is a country who is protective of their jobs and infrastructure, and they are very particular about who is allowed to be accepted for residency. We ask that you pray fervently that we will be accepted on the first try and be able to begin the work that the Lord has put in our hearts.

## MISSIONARY TRAINING

We just completed a week of training at Macedonia's Refresh Week. It was such a joy to see our fellow missionary friends and rub shoulders with some wonderful warriors of God. We pray that the connections we made this week will lead to lifelong friendships. We trust that the teaching and training we received will have a lasting effect on our ministry. We are so blessed that the Lord led us to Macedonia World Baptist Missions. We gained a family, not just a partner.

## THANK YOU

We want to thank every church that has supported us thus far for your faithfulness in spreading the gospel across the globe. We have been blessed beyond measure. Thank you for all the prayers and all the letters of encouragement and calls. We really enjoy hearing from you.

In Christ,  
The Larsons
