Ministry

It's been a busy but blessed summer and we thank you for your prayers; they have been greatly appreciated. Our trip to Serbia and Romania went well, we had great services in each church. We then came straight back for the wedding of Lory's youngest sister. As we finished our first year in this building we have knocked on every door, and given a tract to every home in our new community. Now we'll go back through the community again more thoroughly.

In late June we celebrated the seven year anniversary of our church plant in Ghent Belgium. Even with many gone already for the summer holidays, we set a new high attendance of 120 people, just barely beating the old record from February. Going into July we saw the normal difficulty of families leaving for month long vacations, something that is very common in Belgium. This meant going from 120 people one Sunday to 60 the next. While this is typical in Belgium, it can make ministry hard in the summer months. Even with this, we had many new visitors to start coming to the church in this time.

We were supposed to have signed the contract for the purchase of our church building already. However, the notary postponed this to September, due to them also being on holiday. Pray that we will be able to get this done without any problems. Please pray for us also as the owner is now trying to sell the apartment that is attached to our building. Pray that if it is God's will, we may find a way to purchase this, or that we will get good neighbors.

Personal

We are very excited to share with you that baby Josephina Ruth Haley was born August 2nd, 2024. She and Lory are both doing well at this time. She wasn't due until the 8th, but the doctors decided to induce labor early. That is why this letter is coming a few days into August. Please also note the spelling of her name in your records, as I spelled it differently in previous letters. We were also blessed with a surprise visit from my mom in July, but she had to return home for work just before Josephina was born.

Prayer

- Pray** for Sister Lory and Josephina that they will both continue to be healthy.
- Pray** for the purchase of our building that we can finalize it without problems.
- Pray** for God to help some kids whose mother doesn't let them come to church.
- Pray** for Gail, for God's healing as she begins treatments for cancer this month.
- Pray** for Leah, a young lady in our church who needs work to stay in Belgium.
- Pray** for our upcoming vacation Bible school this month, for God to bless it.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley
