Missionaries in Brazil

Field Update Jul - Aug 2024

Greetings, Pastor and fellow laborers in Christ,

We have been facing a critical immediate family emergency for some time, which ultimately culminated in Donna and me being obliged to return to the US and resign as foreign field missionaries.

We have turned our work in Guarantã do Norte, Matto Grosso, over to Brother Izailton, his wife, Samara, and their family, and God has wonderfully blessed all aspects of this transition. Please continue praying for Brother Izailton as he leads Eternal Rock Baptist Church forward for God's glory.

Though our spirits are presently broken and our predicament filled with uncertainty, we are resolved to continue to love God and trust in Jesus, our Rescuer and Savior, as He directs our every step. Donna and I are both in our elder years now, and I am handicapped, thus extremely limited in physical abilities. Despite that, we continue to live by faith, acknowledging that our help comes from above. Please pray that God will bless our endeavor to serve him in some capacity in our new location States-side, help us re-acclimate into the US, and provide us with a means of financial support despite our age and physical conditions. Also, please pray with us concerning our dire family matter.

Thank you all for your faithful prayers and financial support throughout these years. There's not enough space to express our gratitude to everyone through whom God has used to be a blessing; we have so much to be thankful for "in everything" (1Th. 5:18).

Gratefully,
Scott and Donna Allen

Re: Brother Scott and Sister Donna Allen

Dear Pastor and Friends:

I am writing this letter to let you know that Brother Scott and Sister Donna Allen have resigned as missionaries from Macedonia World Baptist Missions.

Due to an unforeseen family emergency here in the States, they will no longer be able to continue serving in Brazil. We thank the Lord for them and their love for the Lord. We ask that you continue to pray for them during this difficult time.

To help them during this transition, Macedonia will continue receiving support for them until December 31, 2024. After that time any support sent here will be returned to you.

If you have any questions concerning the Allen's, feel free to reach out to us, or call Brother Allen directly at 770-657-7781. We will try to answer any questions you might have.

Yours for Souls,

Dear Pastor and Fellow Supporters,

I'm writing just to confirm that I've been in communication with Scott and Donna Allen concerning the current issues they've been facing for some time. As their Pastor, I feel it is definitely in their, and their family's best interest that this transition is made at this time. While this wasn't on any of our radars, I'm confident they are doing their best to honor their commitments, all the way from Guaranta do Norte, Mateo Grosso, to Georgia, USA.

Our hearts are heavy with them because we know where their hearts have been for so long. I'm asking on their behalf, to follow our lead as a sending church and extend their monthly support to at least until the end of this calendar year. I know it will be a great blessing, especially with how quick they're having to make this move.

If you have any questions, please feel free to reach out to me.

Thank you so much for your prayers and continued support for the Allen Family.

Graciously,

Derik Lawrence
