Property Project

We are coming up on one year in the "Promised Land" that God promised us for the church and Bible Institute. We are amazed at how God has provided.

We are coming up on our second of four large payments of \$5,500 due by October 1st.

We have advanced on the development, with Lord willing in the next 2 months finalized plans for construction. The church people have sacrificed but we are still lacking.

SUMMARY

1420 Sq Foot

Cost = \$75,000

Down = \$23,000

Monthly = \$525

Every 6 Months = \$5,500

PAID SO FAR

\$31,000

2nd of 4
6 month Payment
Due date
October 1st

How can I help?

\$5,500

Will you consider investing in eternity to help the Living Hope Baptist Church in this property and building project? Can you make a 1 time offering that's due by October 1st, or a continual offering over the next 2 years to be able to finish paying off the debt?

If 55 Churches/people gave \$100 we would see the goal reached.

Will you pray for Gods provision?

Living Hope Baptist Church

(Atizapan, State of Mexico)

We are so excited about what God is doing in Living Hope, which is celebrating 19 years next week. Many lives have been impacted with the power of the gospel, and we continue to see souls saved, baptized and lives being changed. Ramses a 15 year old young man has been coming faithfully to church about a year and is studying in the Bible Institute and desires to preach the Word of God.

Beatriz

Beatriz an older woman got saved, baptized and is being discipled by Jose & Liliana. She is faithful, and it is so exciting to see this new believer learn how to share her faith in the evangelism course on Saturdays. Many Sundays it gives me joy to hear of souls saved from the 8-10 people going out and preaching the gospel.

Jose and Liliana have taken more of a leadership role over the last few months. They have such a passion and love for the Lord Jesus, for the church people and serving in the ministry. Their servants attitude and faithfulness are so encouraging to us as missionaries.

Lighthouse Baptist Church

(Nicolas Romero, State of Mexico)

The church has just recently had some difficult moments but we are confident that God will give the victory and the increase as we continue faithfully preaching the gospel and discipling new converts like Nora who accepted Christ a few weeks back.

We just started the same evangelism course as in Atizapan. Please pray for those that are learning how to share their new faith, like my neighbor Pancho who has been faithful in the church and is taking the class. Its also exciting to see our 3 kids sharing their faith as we go forth preaching the gospel.
