**July/August 2024**

Dear Praying Friends and Supporters,

Praise the LORD for the great things He is doing in our midst. He is faithful to supply every need and is making great strides for us to arrive in Colorado. Thank you to every **pastor** that has given your time to book a meeting, to fellowship, and to read this letter. Every new church that partners with us gets us one step closer to being on the streets of Colorado. We are grateful for 4 new churches!!

We had the opportunity to be in Ringgold, GA, to sing and preach at the church where my dad is the pastor. It is always a blessing to be a part of their homecoming. We traveled to other meetings in NC, VA, WV, and TN. Please pray as we travel farther west for our upcoming meetings. What a **great JOY** to see God's people walking in truth with a burden to reach the World with the gospel of Jesus Christ.

The Lord allowed us to hand deliver the Bible to the couple in our previous letter. The man struggles with mobility because of a stroke about two years ago. He made a comment about just dying and getting out of the way. This opened the door to ask him what he would do when he **stood before God**. We also assured that he was needed and loved. Continue to pray for him and his wife.

God reminds us often, if we will listen, He is working in those around us. After presenting the burden at one meeting several young men met with us around our display and discussed coming to help in the work. Pray that God will keep the **burden burning** in their hearts. At another meeting a young man said, "You probably don't remember, BUT." He explained how he remembered us coming by about 14 years ago and preached from Ruth, "Trust God or Bust!" He remembered the illustration of Anna jumping off the platform in my arms (she is now 18). May we be found faithful to the CAUSE when he returns.

**"All that are with me salute thee. Greet them that love us in the faith. Grace be with you all. Amen."** Titus 3:15

Cultivating For Colorado,
