for Christ

Romans 10:13-15

Dear supporters and prayer partners,

I would like to start this letter like the past ones by saying thank you for your prayers and support. The Lord has been so good to me these past two months! Thank the Lord for another two months. In the month of July, I had the opportunity to be a part of my home church's youth camp and help my pastor with it. We had a great year with some great preaching and singing. We had over 50 kids and teenagers this year. It was a blessing to be a part of what God is going to do with some more young people who truly want to serve the Lord.

These past two months I've been in a lot of local meetings in NC; so it has been a blessing to be around family and friends more. In the next coming months I'll be in GA, NC, and SC for some meetings. The Lord is continually sending in the support. I'm a little over 55% of my needed support. Please continue to pray for the remaining support to come in.

Also, in my past couple of prayer letters I have mentioned about me and my director Bro. James Hansard going to NH a couple of months ago and looking at a building in NH to start the church. Please continue to pray about it! It is a room in the town library that seats about 80 people. Pray the Lord will give me wisdom about it.

I would like to end this letter by saying thank you to everyone for the prayers and support. It is an honor to represent each and everyone of y'all in New England! Thank God for the church!

Prayer Request:

1. For more labors in New England and all over America
2. For the remaining support to come in
3. Sam, Jones, and Justin for salvation.

In Prayer,
Noah Gudger
