"Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." (Jeremiah 33:3) What a tremendous promise this is from our amazing God in His holy word.

Oleen has recently had some tests made, blood work and all, and the results have been amazing. Her A1c level was down to normal. We are so thankful to our amazing and wonderful God who always comes through in His amazing grace and mercy. I am still fighting dizziness and weakness, but now have been drinking Hydrogen Water, that Mark and Ula gave me, and am feeling somewhat better.

Please continue to pray for the three churches in Cyprus. They are doing well, and we thank each one of you for your financial support and your prayers helping to make these churches existence possible. Also please continue to pray for West End Baptist Church in Easley, SC, where our son Mark pastors, and for our home church in Pickens, where Mark Dibler is the pastor. We live in Valdese, NC; so we attend New Manna Baptist Church in Marion, NC, where Tony Shirley is the pastor. Pray for this church as well.

We are so thankful to God that our five children are faithful in church. Please pray for our lost loved ones in the families that they will soon be saved. We love our family so very much and want all of us to be together in heaven

Oleen and I are getting much older, as all of us are, and our health is declining. However, God is blessing us, and we have a lot to be thankful for. There is no stopping place for us. We want to continue serving until we pass on, or better still, until Jesus comes in the air to take us home.

We appreciate so very much your prayers and financial support. To know y'all are praying for us is a real encouragement to say the least. We have a ministry of witnessing and passing out tracts everywhere we go and an intercessory prayer ministry, praying for many folks. We pray for all of our supporting churches and for individual folks as well. This is a daily ministry. Contact us if you need prayer.
