## Young Ho Lee Prayer Letter September 2024

Greetings from Korea,

This is the Korean thanks giving day season. This thanks giving day last 10 days for the great harvest of crops for what we saw.

One of the great blessings is God has used us planting churches in Korea. By God’s grace, we have established three Independent Baptist churches here in Korea. Praise God for using us planting churches here in Korea. These churches are established on the foundation of 1611 King James version. I have been preaching and teaching King James Bible all through my ministry.

I am writing this letter in a nursing home. I believe God brought me here for some reason. They look so lonely without Jesus. One of them died lost last night. Please remember my prayer request that God will fill my heart with His compassion for the lost souls.

Please do remember our work here in your prayers. Without your support and your prayers, it is impossible; but with your faithful support, we can continue spreading the Gospel to this part of the planet.
