Goals

- Church Planting
- Christian School
- Christian Care Ministry

We are thankful for all God has done this year. Apart from weekly Sunday service we have had several events. In May we had evangelism, in June we had lay leaders training. In July our pupils visited two schools for benchmarking. In August we had a couples seminar. September we had a major day in our school, our annual Prayer Day where over 300 people were in attendance.

We were really blessed. We took time to pray for our candidates. We have also had several projects namely computer and science labs. We were able to equip our computer lab with 6 computers.

Upcoming Projects

We have upcoming projects which we have to complete before January 2025. We have been directed by the Ministry of Health to build a new kitchen and dining hall

Also my health was not good, my eye was bothering me. Thank God it is ok now.

We also had a support problem. We lost most of our support for the last 9 months. We have been struggling. But we pray God will provide.

Our Prayer Request

- Pray that the Lord gives us strength so that we continue serving Him.
- Pray that the Lord may help us get new support.
- Pray that God may give us funds to construct a new kitchen and dining hall.
