Dear praying friends,

The last several months have been very busy for us as we have been traveling to churches to inform them of our burden and calling. God has blessed us so that we have not lacked in opportunities. We have not had a single unscheduled service since the end of August and will not have another until the beginning of December! Though at times we are tired, we have not been uncared for. God has used His people in many churches across the country to be a help and a blessing to us along the way.

I am thankful to God for His protection during the month of September. Much of our time that month was spent presenting in North and South Carolina, Florida, and Georgia before travelling all the way to Kansas for another missions conference. I am thankful that God knows better than we do. We left Greenville for Kansas City just 3-4 days before Hurricane Helene came through. Only God in His providence can get the credit for our safety.

This past month was highlighted by our sending church's missions conference and my ordination in the closing service. Dr. Scott Caudill, who was the keynote speaker throughout the week, and Bro. Steve Fisher, who was instrumental in my choice of attending Commonwealth Baptist College, were two of the people on the ordination counsel to recommend me to the church. I am honored to have my own pastor and these godly and faithful men to invest in me and support me in following God's will for my life.

Our support has now risen to 76% in the past two months. It is such a blessing to see how God has raised our support! There is nothing inherently great about ourselves, but we are servants of a mighty God! We are also very close in reaching our goal for our key money. We now have \$53,000 of our \$70,000 goal. Note that this is separate from our moving fund which would cover our plane tickets, visas, vehicle, furniture, appliances, etc... If you have any questions at all concerning our key money or our moving fund, please don't hesitate to reach out to either us or our Pastor. We are thankful for those who have sacrificed and given so that this need can be met.
