Claiming Keene
for Christ

Romans 10:13-15

September-October 2024

I would like to begin this prayer letter by saying thank you to all who reached out to me to check and see if me and my family were okay during the storm Helene! We live about an hour east of Charlotte so we didn't get hit as bad as the western part of NC. Please continue to pray for them! My heart breaks for the people who lost everything. Please pray that Christ will be magnified and that sinners will be saved through all of this!

The past two months have been amazing! The Lord has been sending in the support! I'm at a little bit over 60% of my needed support; so please continue to pray that God will send in the rest. Also, please pray about next year; Lord willing, it's all ready looking to be a great year. I'm already booking meetings for next year and, Lord willing, making preparations to be moving to NH soon! I'm excited to see what the Lord is going to do next year! I stand amazed that God would use somebody like me, but I'm so grateful that I can serve the King of kings and the Lord of lords!

Please continue to pray for America and New England! Pray that God would send more laborers. I've mentioned in past prayer letters about many of the towns in NH and all over New England that don't have a Bible believing Baptist church to go to. Our country and the world needs to hear about the Gospel, the only hope for the world!

I'll end this letter by saying thank you to everyone that has prayed for me! It means a lot! I hope each and everyone has a wonderful Thanksgiving and Christmas!

Prayer Requests:

1. That God would send in the remaining support
2. For more laborers
3. The building in NH that the church will be started in
4. Book more meetings for next year
5. Sam, Jones, and Justin for salvation

In Prayer,
Noah Gudger
