Ministry

Praise the Lord! We want to thank everyone who prayed for us and gave financially towards our church building. We have completed the sale, and the building now officially belongs to the church! This has been a long and often stressful journey, but we thank God for each of you who went through it with us. We also potentially have an answer to prayer concerning the home that is attached to our building, as one of our church members is trying to buy it and ensure that we will have good neighbors. Please pray they will be able to buy it.

We have had several people saved across the past couple of months, including three young people who came to vacation Bible school. Also, a man we have been witnessing to while door knocking, and a few new visitors to the church. We had another baptism in October as well, where we baptized one of our teens who got saved a few months ago, one of the kids who was saved in vbs, and the boy I mentioned getting saved while door knocking in one of my previous letters. Be sure to look for pictures of this on the second page.

In August we had vacation Bible school, where we had great attendance, and saw God work greatly in people's hearts. In September we had our second youth conference and were joined by two other churches. As part of this we had three of our teenagers preach on a youth-focused Sunday. In October we had our first faith promise missions conference, and missionary Paul Hamilton preached it. This was a great blessing to our church and allowed us to already take on six new missionaries for support. Then we ended the month with a men's prayer fellowship where some of our men brought the sermons.

Personal

The kids are all currently focused on a new year of school. We let Hannah start kindergarten a year earlier than required. Josiah and Emily switched home school curriculums and are adjusting to that. Please pray for them as they learn, for us as we teach them, and especially for Lory as she has to begin potty training Victoria; while also managing baby Josephina.

Prayer

- Pray** for the couple trying to buy the home attached to the front of our building.
- Pray** for two ministries I am praying about introducing to our church next year.
- Pray** for my parents and my pastor, each have had some pressing health needs.
- Pray** for Gail's healing she's had great results so far from her cancer treatments.
- Pray** for Leah, a young lady in our church who needs work to stay in Belgium.
- Pray** for Lory's oldest sister and some other family who need to be saved.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley

What shall I render unto the Lord for all his benefits toward me?
