Missionary Director

USA EAST
CHURCH
PLANTING

Dear Co Laborers,

September-October 2024

God's Protection: The reality of the storm "Helene" that passed through our home area of SC was very overwhelming. The Lord provided a place for us to stay with family in Columbia, SC until our power was restored after 6 days. We are so thankful and blessed to report that even though we lost some food, a partial fence and a few tree limbs, our family and home were under the protection of the Lord.

God's Purpose: The life of peace with God and His call to evangelize gave us the glorious opportunity to pray with four precious souls. Salvation is of the Lord. God has given us an open door to assist the Friendship Baptist Church with their music. Pastor Horton who planted the church just celebrated his 87th birthday and has expressed that the Lord's timing is perfect in sending us their way. Mom Ruby has been with us seven years and just celebrated her 92nd birthday. God has supplied a caregiver for Sundays to allow Cathy to play the piano for church.

God's Calling: As of this writing, we have reached the 45th anniversary of our call to preach and surrender to missions and year 62 of our salvation. We are blessed and humbled to fulfill our calling and commission. In October we were privileged to be with Pastor Jennings and the families of Crooked Creek Baptist for their mission conference. As one of the veteran missionaries we had one-on-one fellowship and a time to update how God has blessed their mission giving.

We appreciate all our supporters both financially and as prayer warriors. We pray for you that God will bless and supply your needs as you give to start churches as well as help those who may need assistance.

Looking Unto Jesus,

James and Cathy Hansard
