

the Home Office

Quarterly Newsletter

May 2024

Greetings once again from the Home Office of Macedonia World Baptist Missions. We are excited to see the Lord working through the ministry of Macedonia, and we are thankful for your partnership with us. We could not do what we do without you.

The Reach the World Youth Conference was held on Saturday, April 27. We praise the Lord for a wonderful day! We had a record number in attendance. We had over 200 people from over 14 different churches at this year's conference. The Lord met with us in a powerful way throughout the course of the entire day. We are praying that God will use the preaching and teaching to challenge the hearts of everyone who was here to do their part to reach the world with the Gospel. We need laborers! We have included pictures of this year's conference with this newsletter.

In the month of June, we will host our reRefresh week. This is a week set aside for our missionaries to encourage and equip them in their missionary service. We have a great number of families registered to be with us during the week. Will you pray that God will use this time together to be a help to these families? Will you pray that they will be encouraged to continue in the work that God has called them to? We want to see them refreshed spiritually, physically, and mentally.

We are also excited about a brand new project the Lord has laid on our hearts. This is something we have been praying about for some time. We look forward to sharing information about that in our next newsletter. We will need your help to see the goal accomplished, but we know that when God's people work together, great things happen.

Again we want to express just how thankful we are for your part in reaching the world with the Gospel. Your support of the Home Office has an impact on every family serving around the world with Macedonia World Baptist Missions.
