Oh how great is thy goodness, which thou hast laid up for them that fear thee; which thou hast wrought for them that trust in thee before the sons of men! Psalm31:19

Our winter months (June-August) have been full of ministry, family visits and church events.

In June we had our annual VBS and are busy planning for next year so that we can reach even more children! My parents visited for a week in July and enjoyed getting to see many parts of Port Elizabeth. In September I was able to attend a ladies retreat with Grace Baptist Church. Our last day of school is November 30th and we are busy with end of year programs, grades, and parties. Summer camp at Camp Rhino starts December 1st and we are excited to see how the Lord will work amongst our young people!

Camp Rhino

The construction of our new Tuckshop and dining pavilion has begun!

Earlier this year we began construction on our new dining pavilion and camp snack bar, known as a Tuckshop in South Africa. We have been able to

complete about half of this project but are still lacking about \$3,000 to complete the project.

Please pray with us and consider donating so that we can complete this project before camp starts in December!

I have included the donation link below, please label your donation: Brittney Schear Camp Rhino.

Tuckshop space.**

Orphan Ministry

Over the past year and a half, I have been fostering a young girl from our Christian School. She has just turned seven and I love watching her grow. While I have started to pursue adoption, there are still many steps to take before adoption can become a reality. **Please pray that the Lord would give me favour in the eyes of the governing officials and wisdom as I navigate this process. Please pray for this little one that she would have a tender heart and soon understand salvation.**

Fostering has opened doors to minister to orphaned children in a local childrens home. Last year I was introduced to SOS childrens village, home to approximatly 90 children! Each week these children have the opportunity to attend Newton Park Baptist Church to hear the gospel.

Bay Baptist Academy

At Bay Baptist Academy we are able to sponsor several children from our local churches. It is due to your faithful support that I am able to assist with the school tuition for these children who would not otherwise be able to receive a Christian education.

In July we enjoyed showing my parents some of Africa's beautiful creatures!

Thank you for your faithful prayers and support for the people of South Africa.
