

# Richard & Sylvia Vance Printing Ministry

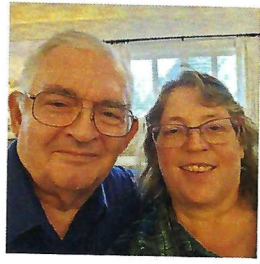

3rd Quarter 2024

To all of our supporting churches and praying friends,

*For our light affliction, which is but for a moment, worketh for us a far more exceeding and eternal weight of glory; (2 Cor. 4:17)*

I want to thank everyone who has been praying and financially supporting us in our deep waters. My ship was sinking, and you threw out a lifeline. We really did not know the extent of my illness. The doctor said I could have died from the infection in my foot. We saw God's amazing blessings in providing for our medical expenses and home renovations. Thank you so much for everything you have done on our behalf. We have a new appreciation for the times we live in. Prosthetics have advanced greatly in this generation. I am expecting to be able to move around normally for which I praise God.

This past month, our Director Dr. Fred Kindhart, met with several pastors from Honduras who came

to get tracts for their ministries. They picked up 8 boxes of tracts from Missionary Leroy Rolston which were part of his order for a million, two hundred thousand tracts. How awesome it is to see how God is using MGPI to get the Gospel out to the lost.

Our heart's desire is to see the glorious Gospel sent out from this printing ministry. The print shop staff: Dr. Fred Kindhart, David Wade and Jenna Gherardini, have been diligent in my absence to produce quality printed materials. Thank you folks for your labour of love.

In February 2025, Sylvia and I will celebrate 30 years of service with Macedonia World Baptist Missions. To God be the Glory!

God bless!

On the way to church 10-13-24. I'll be using the new leg soon. --->

As the Christmas rush begins, we are looking for additional volunteers to help get tract orders completed. Currently, Brother and Sister Webb are continuing in their 35+ years of volunteer service. (Brother Webb just celebrated his 95th birthday.) We're so thankful for their volunteer spirit to promote reaching the lost through Gospel tracts. He has been sick, and we're so glad to have him back.
