FAMILY TO IDAHO

What a Year!!!

2024 has been amazing! As some of you might remember we lost 16 members this summer and 3 regular attenders to moving away, but God has continued to work. We have seen 5 families added to the Church, 3 saved and 14 baptized in 2024. It has been so amazing to see God's blessing on our Church family and continue to grow our congregation step by step through this past year. We had 2 amazing Big Days this year. On Easter we had 97 in attendance and 7 Baptized, on Christmas Sunday we had 87 (picture below left) with several out sick which would have given us over 100 people, but we would have had no room to put them. It was so great to have to use all our chairs and have to seat some people in our foyer. We are so excited about God's growth in our Church. With much of our Church being new Christians this year's theme is focused on discipleship (pictured below right). We will be continuing to train and disciple our new believers, as well as, begin training our more mature Christians to begin discipling others. This year we will be expanding our Growth Groups to better minister to each of our Church family in their different life stages. Which means we will be adding new teachers this year to help us in many new areas. Please pray for us as we train others to teach, preach, disciple and evangelize our Church and our community for the cause of Christ.
