

— SCOTT & CASSIE —
CAUDILL
PRESIDENT & GENERAL DIRECTOR

March 2025

Dear Friends,

Cassie and I want to again express our heartfelt gratitude for your faithful prayers and financial support. Your partnership in the ministry God has called us to with Macedonia World Baptist Missions is a tremendous blessing, and we are continually encouraged by your love for world evangelism.

This quarter, our travels have taken us as far north as Pennsylvania and as far south as Florida as we seek to “fan the flame” of world evangelism. We praise the Lord for His protection over the many miles we have traveled and for the opportunities He has given us to share the burden of reaching the world with the Gospel.

By the time you receive this letter, we will be just over a month away from our next Reach the World Youth Conference. If your church is looking for a meeting that will stir the hearts of your teenagers for world evangelism, this is it! Several MWBM missionaries have already committed to being with us, and the preaching, teaching, and even the fun times will all be centered around the urgent need to take the Gospel to the nations. We host it right here on our campus! For more information, visit MWBM.org. Since our space is limited, register today! We would love to see you here.

We are also excited to report that our Pavilion Project is making great progress! This pavilion will serve as an extension of our Missionary Training Center, providing a dedicated space for equipping and encouraging those whom God is calling to the mission field. The Lord has been so good through His people to provide almost all of the needed funds with only \$50,000 remaining to complete the project. If just 50 churches committed to giving \$1,000 each, we could meet this need entirely. I have included the QR code once again for those who would like more information or feel led to help.

In addition, we rejoice in the new missionary families recently approved by our Executive Board to serve in the West Indies, the Yucatan Peninsula of Mexico, and Ecuador. This is a direct answer to prayer as we daily seek the Lord to raise up more laborers in these last days. Always remember, if God calls you, Macedonia will help your church get you there!

On a personal note, Cassie and I celebrated our thirty fifth wedding anniversary just a few days ago. We are so grateful for the home that God has blessed us with and give Him glory for the opportunity to serve Him together. Some of you have sent anniversary cards for which we are very grateful. Thank you!

In closing, please know that Cassie and I regularly pray for our supporting churches and pastors. Your faithfulness and generosity enable us to continue in the work God has called us to, and we do not take that for granted. Therefore with your help and by God’s grace, we will continue by faith!
