January 2025.

It is of the LORD'S mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness. We trust that you are having a blessed New Year so far. Praise the Lord for His goodness, mercies and faithfulness which we experience daily in our lives. In general, we are doing fairly well by the grace of God. Our first son, David completed his post-secondary studies (A Level) with passes in all subjects, and the Lord recently opened the door for him to be placed as the physical education teacher in an elementary school close to home. Micah did very well in the CXC exams and graduated last July. He started A Level and also did very well in his first term. Jaelys recently turned 10 years and is also doing very well at school. She received awards for topping her Grade level last year and also for the first term in the new school year. We thank the Lord for His help and His blessings on them.

The past year and a half brought numerous challenges, the like of which we had not experienced before, but the presence of the Lord, His grace, love, faithfulness and peace, was also experienced as never before. The fracture in Edlina's leg is completely healed although it is painful on rainy days or if she is on her feet for extended periods. Please keep her in prayer as she is experiencing imbalanced hormones due to the natural changes in her body. Again, the grace of God is the source for every day.

Last September I had a bad muscle spasm in my lower back. For two weeks I could only lay flat on my back and could not drive for a month. The last session of a two month physiotherapy treatment ended in December. By the grace of God, I feel

back to normal.

Regarding the vehicular accident in May last year, the Lord provided the funds to cover the repairs to the vehicle but we still await the insurance company honoring the claim.

The ministry at Solid Rock is going well, yet there is still a desperate need for the men to be faithful and committed in their involvement in the work of the Lord. One of the young men who had been coming to youth meeting with our teens, has been consistently attending Sunday services since December, but he has not yet made the decision to receive the Lord as Savior. His name is Shaid. There is also a young couple that has been coming since our Old Year's Night service, Kimson and Marra. Please pray with us that they will make the decision soon to give their lives to the Lord.

One of the elderly men from the village that I had been visiting, who received the Lord as Savior, passed away last November. Praise the Lord he received the message of the Gospel and is now in the presence of the Lord.

Continue to pray for the Solid Rock Broadcast as it is aired every Sunday. The Lord continues to provide each month for this ministry, and we trust that the message of Jesus Christ would turn the hearts to Him of the many listeners whom we will never meet.

The Lord has kept the door open for the Bible classes to continue in the elementary school with Grades 3,4 &6 classes. Through the years this has given a great opportunity to share Gospel with hundreds of children and maintain a connection and influence with many of them even after they have graduated from the school. We believe that the seed of the Word will take root in their hearts and produce fruit at some point in their lives.

Once again, thank you for partnering with us in the work of the Lord. Your thoughts, prayers, and support have been a great encouragement. We praise the Lord for you and pray that the Lord will continue to bless and use you for His glory.
