Missionary to Honduras

October - December 2024

Dear Pastors and praying friends,

The last 3 months of 2024 were busy ones, filled with many blessings.

In **October** we began our 3rd round of English classes. This outreach has garnered a lot of interest and we already have a list of those who would like to enroll in our next round. As with all ministries of the church, we use these classes to reach others with the Gospel. Each round consists of 3 sessions of 8 classes each. Each 2.5 hour class is divided into Grammar, Phonics, and Conversation. We always have a devotional time, teach them a hymn in English, and invite them to church numerous times. I know that God is, and will continue to be, working through these classes.

In **November** we had our Men's conference where men from all over Honduras, Guatemala and El Salvador came together for 3 days to worship, learn, and enjoy fellowship together. It has become a special time, not only for us as the hosting church, but for those men who get to step away from their responsibilities for a little bit and focus on God and their own spiritual well being.

**December** is always busy for us. This year we had a special get together for couples with food and games, a formal teen banquet that our teens and singles look forward to each year, Christmas caroling and the Christmas play. The play this year was pretty special for me. It was the first one I had written in Spanish, and to see them bring it to life was amazing. They did a fantastic job!

I am looking forward to 2025 and all that the Lord is going to do. I do have plans to come to the States some time in 2025 for a short furlough and to get some medical, dental, and optical checkups. Please pray with me as I search out the best options of where to stay and a car to use. I will give the dates later on and if you would like for me to come give an update at your church about the work here I would love to do so.

I want to say thank you all for your prayers and support. Without you, I would not be able to stay here and do what the Lord has called me to do. I do not take lightly the confidence you place in me to be here and reach others for Jesus. I'd also like to say a heart-felt thanks to each of you who sent special Christmas love offerings this year. They were a blessing and it is such an encouragement to know that someone is thinking of me. May the Lord bless each of you in the coming year, and may this be a year that we all glorify God and help bring others into the fold.

Your grateful missionary to Honduras
