# Richard & Sylvia Vance Printing Ministry

1st Quarter 2025

Hello to all of our supporting churches and praying friends. I am feeling like my time away was a sabbatical, which indeed it was for medical reasons. It is good to be back at the print shop.

As we are witnesses of current events let us remind ourselves to continue "...exhorting one another: and so much the more, as ye see the day approaching." Hebrews 10:25 The Lord is coming back!

### Large Tract Order:

An order for 150,000 tracts is in the works. We had two new young people help us get 50,000 tracts ready. Others have said to call them when the rest of that order is ready to fold. Even today a retired man called to see when he could come in to help. God answers prayer!

### Prayer Letter Service:

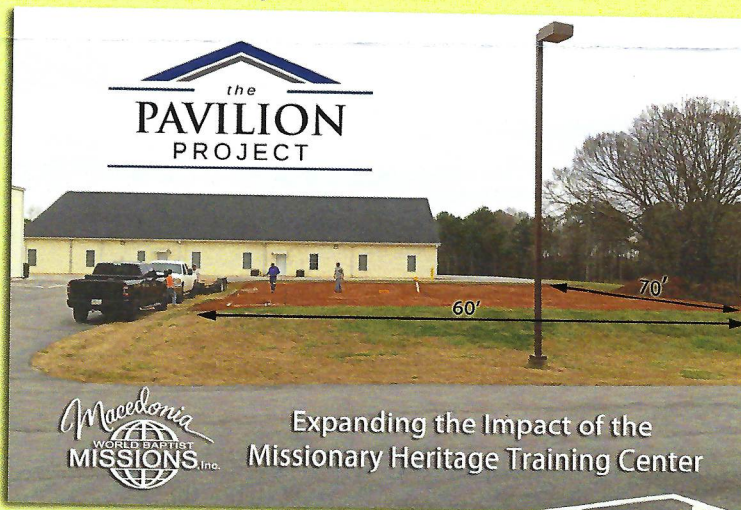

Jenna Gherardini is working to help missionaries prepare, update and mail prayer letters on their behalf. It is a very laborious task for each missionary, especially on the field. Having good equipment makes all the difference.

Our new BizHub printer has really made the difference. It will not only print high quality prayer letters, but does an excellent job printing envelopes as well. An added bonus is that it does so without destroying the envelopes like our older inkjet printer does. Thank the Lord that Jenna is able to help our missionaries at a significant cost savings.

### The Pavilion Project

Scan to learn more about the Pavilion Project or visit: [mwbm.org/pavilion/](http://mwbm.org/pavilion/) for more details.

The Pavilion will be located in an area between our office building and our Missionary Heritage Training Center. This location is ready to be built upon. It will offer convenient access from any building on the property.

*Construction of the facility has begun with 75% of the funds raised. Please prayerfully consider supporting this much needed project.*

### Health Update:

Sylvia and I are excited that I'll be getting my permanent prosthetic leg on the 18th of February. We will go to the prosthetic office where the new leg will be custom made.

I am thankful for how God has brought about healing so that even now I can move around and operate various equipment at the print shop. I can hardly believe that just nine months ago infection in my foot nearly cost me my life. Praise the Lord for the opportunity to continue serving Him at the Macedonia Print Shop.

God bless!
