There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit. **Romans 8:1**

Dear partners in the work of Christ,

February 2025

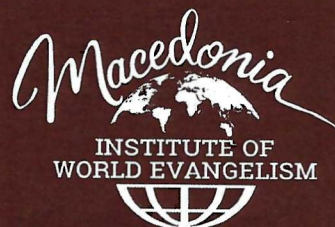

We have so much to share and be thankful for that one letter cannot contain it all. Thank you for your prayers and giving support. We could not do what God is allowing us to do without churches and people like you.

Though we wear several hats, our time and effort is spent more on the ministry in KENYA, AFRICA. Just a word about the progress we and the precious people in Kenya are making: when I joined their effort about 6 years ago, we had two teams of four preachers (8 workers) going into the public schools – four days a week in 3 different public schools per week. As you probably already know that was preaching the gospel in a total of 12 schools per week with a total attendance of approximately 6,000-8,000 students and staff per week. Each student who responded to the gospel invitation is given one of my “A Place Called Heaven” books written especially for them. Many of you have invested money into these books.

Fast forward from approx. 4-5 years ago till today

- We now have (not eight men) but 100 Kenyan Independent Baptist preachers full time in the schools across that nation – preaching the gospel to literally thousands, seeing hundreds and hundreds saved each week. (That number is very conservative).
- This past year while going to the public schools, other preachers have planted several Independent Baptist Churches. We are always looking for the need for churches near where many students get saved and where villages are without a Bible preaching church. **WHAT A MINISTRY GOD HAS ESTABLISHED!**
- **Turn to the next page** and see how you can become involved or increase your involvement.

HELP WITH PRINTING:

We are approaching 100,000 of my book, A Place Called Heaven, and several thousand of the Bible coloring books I was privileged to put together, done in the Swahili language, going from God in creation to the coming again of Christ.

1,000 books = donate \$850

1,000 coloring books for elementary age = donate \$750

Note: The Kenyan printer changes his price from time to time.

HELP WITH TEAMS:

Support a full-time team of 4 preachers in each team = \$200

*At this amount, we can "totally" support all 4 preachers for a month.

We have many supporting churches involved in both giving for the printing, which the Kenyans say is their most valuable tool they've had in many years, and by helping support a team or even half a team.

God led a small group from our church twice this past year to work with the Kenyan churches. What a life-changing experience it was! Dr. Seabury Nyabero is our main contact – he was led to the Lord by an American missionary when he was a teacher in the Kenyan public high school. This missionary trained him well. He is one of the most gifted, godly, humble, Bible-preaching, honest men I know. I have known him for approximately 15 years. Missionary TJ Tilley is in Kenya several times per year to verify and have good oversight of the ministry, along with Dr. Seabury.

Yours in Christ,

Roger and Diane Baker
