Church Planters In Colorado

March/April 2018

Dear Praying Friends and Supporters,

God continues to Grow, Guard, and Give to our family through our partners in this endeavor to reach souls in Colorado. We are looking forward to summer when there are more residents, visitors, and people at the church.

We have been able to preach several times to the man we asked you to pray for (Mike). He has scheduled a time for us to talk about the differences in what Teddy preaches and what he thinks he believes. Pray for Old time Holy Ghost conviction and direction. Another visitor Jack came from Texas and only comes by himself because his family is not saved. Pray for strength for him and power for us to reach them. Zach and Bubba are young people that have visited and are hit and miss but hope we can build a relationship with them as well.

Bro. Hutchens, our field director, recently brought us some much-needed folding chairs for the tent meeting. He is looking for a few more and has some speakers as well. We are excited about what God has done through this outreach of the church. A couple has been coming to church faithfully for over 8 months now from the last tent meeting. Their statement was, "we heard the other fellows preach, but came to the church to hear you". Teddy will be preaching at this year's tent meeting in June. We are praying for three things: 1. CROWD (we need people) 2. CONVICTION (we need God) 3. CONVERSION (we need people to realize their need and repent). HELP US PRAY!!!

The family is doing well. Teddy is being able to finish up some schooling. Crystal is chasing Priscilla everywhere. Isaac is in Georgia working and looking for the next thing. Rebecca is starting online college soon. Mark is growing into a young man and has been studying and practicing landscaping (he loves it). John and Philip are learning new instruments and leads the singing at church from time to time. Anna loves having a little sister. Titus is becoming our little story teller (not lies but just likes to tell what's happening). Priscilla is growing like a weed and getting cuter every day. Thanks for your prayers and support!

Cultivating In Colorado,

Teddy Angel
