

The Beck Family

Southwest USA Field Director

Serving with MWBM since 1998
Missionaries to Spain 2001-2015

January - February 2018

Dear Pastor and Co-Laborers in Christ,

Greetings, from Florida, in the name of the Lord Jesus Christ. We hope that this letter finds you all doing well and serving our wonderful Savior.

I am currently at a Missions Revival at Palm Coast Baptist Church in Palm Coast, FL. Pastor Hobbs started this work eight months ago and God is blessing it in a tremendous way. They are ready to launch out and support missions globally through Faith Promise. It is so exciting to see how this church is obeying Christ's command. What a blessing!

Praise the Lord for answering our prayers. The Lord has begun to provide me with more meetings for this year. I appreciate your prayers on our behalf. I am looking forward to presenting the need for labourers out west and challenging people to surrender their lives to go plant churches or help those that are already there doing the work. There are still open dates that need to be filled and I am trusting Him to fill them.

Lord willing, I will be heading to the Southwest at the end of April. I am looking forward to spending time with our missionaries and being a help to them. I appreciate their hard work and zeal to win souls to Christ.

Recently, I met two church planters that are headed to Hawaii. This is a wonderful answer to prayer for me. Hawaii needs labourers! What a joy to see the Lord still calling and equipping men to carry out the Great Commission.

Thank you for your prayers concerning Daniel's concussion. He has recovered from that and the headaches have gone away. However, he broke his ankle the other day at basketball practice. We praise the Lord that it was only fractured and that it allowed the doctors to see some other symptoms that needed to be taken care of concerning his kidneys and blood pressure. Please continue to pray for him.

We want to thank you for continuing to hold the line for us through your unwavering support for our ministry. Without your love, prayers, and financial support we would not be able to do what we do. We are praying for you and asking the Lord to bless you as you serve Him.

In Christ,
Bro. John Beck
