Dear Praying Friends,

Thank you for your prayers this week.
“The LORD hath done great things for us; whereof we are glad ...” Psalm 126:3

THE CHIEF – I thought I would have to spend the whole day looking for Chief Márcio, but that was not the case. As soon as I got in from my morning run, he was there waiting for me. My friend Jones saw him walking down the street and told him that I wanted to talk to him. The Lord had really prepared his heart. Our conversation could not have been better. He basically opened the door for us to do whatever we wanted. What a blessing! Thank you for your prayers.

THE SCHOOL DIRECTOR – Jones and I went out to Piloto this week to ask for permission to do Bible Classes in the Elementary School as well as the High School. We got a very warm welcome from the students and the new director let us know that we would be welcome at whatever time we were able to come. *“The king's heart is in the hand of the LORD, as the rivers of water: he turneth it whithersoever he will.” Proverbs 21:1* We are all set to begin classes on Monday of next week. Please pray that the Lord would prepare the heart of these youngsters to receive the Word of God.

THE WINDS AND RAIN – We are at the end of the rainy season and it has been raining like crazy today. We were going out, this morning, to do a Physical Education class with at the Elementary School, but the rain and wind pinned us down here in Barcelos. Please pray that we would have good enough weather to be able to get to the Bible Classes next week in Piloto.
