June 2018

Dear Fellow Laborers,

Greetings from The Daniels,

God has been so good to us in so many ways. Let me just name a few (*really a book would need to be written to show them):*

- He granted us salvation through His Son the Lord Jesus Christ.
- He put us into His ministry and has so wonderfully showed Himself (*Elohim the strong one, Jehovah Jireh the Lord will provide*). As He always dose and always will.
- He has allowed us to labor together with so many faithful people (*some of our children and grandchildren among them).*
- As of June 5 it has been 44 years that He has allowed us to serve Him here in the West Indies.
- He has allowed us to see many people come to Him; local churches started, and men called to preach. Through the Bible College are now many out in so many different countries serving Him.

But this past year, on September 20 when Hurricane Maria came through the Islands and we had a direct hit on Puerto Rico, every part of the property was touched, nothing was spared. In our eyes this ministry could not continue. But it did and His local church and the different ministries He has given through this local church, are still going on.

Our Lord, once again, as we have seen Him do over and over again through these past 44 years, did what only He could do and granted us the privilege of witnessing one miracle after another. Our church building is back together and by the end of July, by God's grace, the educational building will be also. Then we will begin the process of rebuilding the college dorms which were completely destroyed. Only God could use His people in so many ways through gifts and people coming and working under very difficult conditions.

So how do we say thank you in a way that honors our Lord and your sacrifices? By staying faithful, not quitting and keep trusting Him!

May our Lord continue blessing you that have given and prayed. I say as Paul said in I Corinthians 15:58, "*Therefore, my beloved brethren, be ye steadfast, unmovable, and always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord".*

Your Co-laborers In Christ,

Johnny & Barbara
