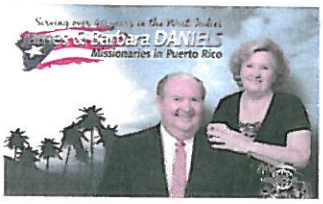
MERRY CHRISTMAS



PRAY FOR THE DANIELS

For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek. Romans 1:16

December 2018

Greetings from Puerto Rico

To say, "what a difference a year makes", is an understatement to say the least. This time last year there was no electricity and no water. All our facilities looked like Hurricane Maria had gone through every building of the ones left standing. Through our eyes there is no human way we could continue, "But God". How many times do we find that little statement was in scripture, "But God". That is exactly what has happened "But God did enter the picture". As a matter of truth, He was in the storm and after the storm through the destruction.

When we were looking at the aftermath, Barbara and I were talking about "What Now". How could we go on? She said- "This is the touch of God on His work". We never doubted that from that moment on, people would say "How? We could only say with peace and confidence "God will do what only He can do". It's His work, not ours. We are only servants of the Most High God and God can turn it around. With that said, we also know He has chosen to do His work through His people. And so may have given of both resources and their time to come and work. To that we say, thank you! Hebrews 6:10.

We would like to share our plans for the rebuilding of the college dorms. We have given one wing of the Day School educational building for college classrooms. That can continue for a couple of years. To rebuild dorms and the needed facilities it will be two or three years before this can be done. So our plans are to convert shipping containers into dorms. We have one here now, and 4 committed, but we need 10 all together to house men and ladies. The cost for purchasing, converting and getting the containers is about $20,000 each. There is a church, Faith Baptist Church of NC, that is willing to do the work, which will cut costs. Our request is will you pray and consider helping with this need for the college? No amount is too small. Any offerings may be designated as Calvary Baptist College Building Fund and sent through Macedonia World Baptist Missions, PO Box 551, Lawrenceville, Georgia 30246 or to Calvary Baptist Tabernacle, PO Box 3390, Carolina PR 00984.

On personal news, we had a great conference in the Dominican Republic. I will be in Bolivia this month and in St Kitts in January. Many other doors are opening for future ministries which we will share with you soon.

Barbara and I want to thank you for the prayers and support through these many years, especially the past year. May our Lord bless you and keep you through the Christmas Season and the New Year.

Again, thank you,

Johnny and Barbara
