Dear Supporters: OUR CO-LABORERS IN HIS HARVEST FIELD

MAHLON & AUDREY HORTON-CANADA

Thank you so much for your continued faithfulness

SUMMER - 2018

Twenty-five years! To those who are young, sounds like a long time. When one commits to 25 years in marriage, or in the work force, or in being a faithful laborer for the Lord it can seem like an impossibility; but the good and feasible way to look at it is that our lives are spent a second at a time—which leads to a minute, then an hour, then a day, then a week, then a month, then a year and another year and another year. But it all comes to fruition because a second was spent one at a time—click, click, and click. We are to be faithful with the time and in the time God gives us—We have no promise for the morrow nor can we reclaim yesterday but we do have the NOW which is the time we are promised.

Our family chorus was chosen after an evangelist came to the first church we helped to start in 1958. We were impressed with the depth of the words. It expressed our goal and was chosen as our family chorus. Family verse is Joshua 1:9

I am determined and I've made up my mind I'll serve the Lord (2x's)
I'll follow wherever He leadeth; I'll pasture wherever He feedeth
I am determined and I've made up my mind I'll serve the Lord.

Then we followed it with the chorus

My Lord knows the way through the wilderness, All I have to do is follow (2 xs)
Strength for today is mine always and all I need for tomorrow
My Lord knows the way through the wilderness, All I have to do is follow.

Since our last prayer letter Mahlon filled the pulpit for our son here in Oshawa for 3 Sundays. Then we flew out to have meetings in British Columbia. We were pleasantly surprised when it coincided with the **25th anniversary our founding of the church in Kamloops** which is continuing on the same principle of being faithful in serving our Saviour every second, every minute, every hour, every day, every week, every year of their lives.. We are grateful for the Faithful, separated from the world ministry and leadership, of Pastor Vaal and his family as they continue whole-heartedly giving their all to our Saviour, Kamloops and the world. If there were more men like him available we could have started many more churches. But we couldn't as we could not leave the new flocks floundering without Godly separated leadership.

Our hearts are burdened for Canada. There would be many more churches started in Canada if there were more like-minded pastors to take over the newly planted churches. We need Godly, separated unto Him, pastors to take over the new churches. But they are not available. One missionary who had to return from the mission field due to illness had 20+ churches without pastors seeking his attention to fill their need. The Far North has the desperate need for more laborers. We continue with serious unspoken prayer requests.
