Papua New Guinea

Dear Friends,

Charity never faileth. In 1 Corinthians chapter 13, the Bible describes to us this gift of charity. Verse 3 reads, "And though I bestow all my goods to the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing." My pastor always taught me, "No matter the situation, it is never wrong to show love to someone." We are thankful for all who have shown us such charity in our journeys. God's people have given us housing, they have fed us, and they have inspired us to show this same charity towards other people we encounter. Thank God for giving people the gift of charity! Charity never faileth!

Charity suffereth long and is kind. This month, we were not away from home much. After being away from home for two months straight, the Lord allowed us much needed time at home to give Tabitha rest and to visit the doctor several times for our baby (It's a girl!). During our time at home, we had several opportunities to minister in areas in which we often receive ministering. Two men from Papua New Guinea came to America, and we were blessed to drive them to their many appointments and to house them for several days. We were also able to renew our Faith-Promise-Giving commitment. Also, one of our supporting churches is without a pastor right now, so we were able to go and preach and minister to them for a couple of services. Charity never faileth!

Charity beareth all things. We surely appreciate all of the prayers and support through which you all have borne our family. This is a true act of charity, and we are so thankful to have brethren who show us such love. We are currently at 90% support and are, Lord willing, planning on moving to the field in February 2019. Continue to pray for the Lord to increase our support, discernment, and patience as we proceed through the last stage of our deputation. We thank you all for the amount of charity you all of shown us in helping us get to Papua New Guinea. Charity never faileth!
