## MISSIONARIES TO WALES

Dear Pastors, Churches, and Friends,

I can't believe another month has gone by already. They say, "Time flies when you're having fun," and it seems that is definitely the case though I will admit deputation is certainly not all fun and games. It is, in fact, hard work. But it is also an opportunity for us to grow in the grace of our Lord and to see Him work in miraculous ways week after week.

We didn't put as many miles on the car this month since the majority of our meetings were local. That, in itself, has been a blessing considering we both enjoy the comforts of home. We do have some big trips in the near future, so a month of less travel was greatly appreciated.

Things did not go as planned concerning my employment. As I stated in my previous letter, my last day of work was supposed to be April 26th. Unfortunately, because of situations beyond my control (and that of my boss), I've been asked to stay on part-time for another couple of months or until he can find a replacement. This is not what we hoped for, but we know God is in control and trust He will make this work for all who are involved. On the plus side, I am only scheduled to work a short morning shift two to three days each week, so that should allow plenty of time for getting on the phone and booking meetings. This is something I didn't get to do much this past month because my work schedule was overloaded. So, Lord willing, we'll see some greater traction in the upcoming months.

Dana had the opportunity to attend the annual ladies' meeting in Columbia, which was a huge encouragement to her. While she and her mother attended the meeting, her father and I visited a local car show and enjoyed some time together. We've been reminded to take advantage of this precious time with family because once we're on the field, there's no telling how often we'll be able to see them.

Thank you again for your love, prayers, and support! They are appreciated more than words can convey.

In Christ's Hand,  
*Jason and Dana*
